The Tax Foundation's State Business Tax Climate Index enables business leaders, government policymakers, and taxpayers to gauge how their states' tax systems compare. While there are many ways to show how much is collected in taxes by state governments, the Index is designed to show how well states structure their tax systems and provides a road map for improvement. **Redirect support - Home | Cambridge University Press** You may have arrived at this page because you followed a link to one of our old platforms that cannot be redirected.
