Business Operations Book - [free] download **business operations book** The outcome of business operations is the harvesting of value from assets owned by a business. Assets can be either physical or intangible. An example of value derived from a physical asset, like a building, is rent. An example of value derived from an intangible asset, like an idea, is a royalty. The effort involved in "harvesting" this value is what constitutes business operations cycles. - Mon, 18 Mar 2019 19:01:00 GMT **How to Start a Poultry Farming Business | Free Book PDF ... JOHN Q.
