Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5. **Helping Children Succeed – What Works and Why** 1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country's public school students — 51 percent of them, to be precise — fell below the federal government's threshold for being "low income," meaning they were eligible for a free or subsidized school lunch. **Higher Education | Pearson** Higher Education Products & Services.
